

REAGAN COUNTY APPRAISAL DISTRICT LOCAL ANNUAL REPORT

2019

The Reagan County Appraisal District is a political subdivision of the State of Texas. The provisions of the Texas Property Tax Code govern the legal, statutory, and administrative requirement of the appraisal district. Members of the Board of Directors are appointed by the taxing units within the boundaries of Reagan County and must live within the district two years prior to serving on the board. The Chief Appraiser is hired by the Board of Directors and is the chief administrator of the appraisal district. The appraisal district is responsible for local property tax appraisal and exemption administration. The local taxing units such as your County, School, City, Hospital and Water Districts set tax rates from the property tax appraisal issued by the Appraisal District. The Reagan CAD serves the following taxing units.

Exemption Data

The district has various exemptions that taxpayers may qualify for including: Homestead, Over-65 Homestead and Disability Homestead residential exemptions. You may only apply for one of the homestead exemptions on one property in a tax year. A homestead may include up to 20 acres of land you actually use in the residential use (occupancy) of your home. To qualify for homestead exemption, you must own and reside in your home on January 1 of the tax year. The age 65 or older or disability exemption for school taxes includes a school tax limitation or ceiling. Some taxing units such as the School and Hospital offer an additional 20% (with a minimum \$5,000 exemption) on Homestead Exemptions and the Hospital offers a 100% exemption for Over-65 and Disability Homestead Exemptions. The filing of this application is between January 1 and April 30. You may file a late homestead exemption if you file it no later than one year after the date taxes become delinquent. There is also a Transfer of Tax Limitation or Ceiling Certificate if you move out of the county: this can transfer to the new county you reside in.

Agricultural 1-D-1 Open Space and Wildlife Management

Because of Senate Bill 771 there is a temporary recession of agricultural use during the drought. Qualified open-space land does not become ineligible for the special appraisal when a drought is declared by the Governor. The Governor has declared the necessity to cease agricultural use for longer than normal time period. We will work with our Farmers and Ranchers during the drought.

Property Value Study

The Property Value Study is conducted by the State comptroller's Office to estimate the taxable property value in each school district to measure the performance of Appraisal Districts. If the Appraisal District is within a 5% percent margin the State Comptroller will certify the local value to the commissioner of Education. The findings of the study are used in the school funding formula for state aid.
